Preferred Opportunity Type: Property Maintenance Child Enrichment Activity
 Adult Enrichment Activity Babysitting
 Skilled Volunteering

- Property Maintenance: Projects may include helping with seasonal decorations, planting and maintaining flowers, cleaning and organizing community spaces, or staining our fence.
Child Enrichment Activities: Traditionally, projects are offered on-site on Wednesday evenings. Some examples of projects are pancake dinners, jewelry making, and gingerbread houses.
Adult Enrichment Activities: These projects are also offered on-site on Wednesday evenings. Some examples of projects include art classes, yoga, group dinners, and education sessions (e.g., women's health, budgeting).
Babysitting: We utilize babysitters during adult enrichment activities and group therapy; and also like to offer babysitting occasionally so that our residents can have free time to run errands, etc.
Skilled Volunteering: Skilled volunteers may offer direct resident services, such as hair-cuts, manicures, financial planning, and more. We also utilize skilled volunteers in our office and around the property. Some opportunities may include fundraising professionals, graphic designers, landscapers, general maintenance, and interior designers.

If you're interested in a volunteer experience that is not listed above, please describe it here. We are always open to new and unique opportunities:
